CIRCUIT: A full body circuit to increase cardio, muscle tone, endurance and strength.

STRENGTH CIRCUIT: A full body strength circuit to increase muscle tone, endurance and strength.

BOXING: A class dedicated to improving your boxing technique. Suitable for entry level & advanced.

BOXFIT: Boxing techniques & different combinations. A class to get your heart rate up & make you sweat.

CYCLE: Freestyle class for toning & burning calories fast. Ride the hills & the flat roads with variety.

FOREVER YOUNG: Low impact work out, with light cardio, light weights, core, balance, stability & stretching – great for beginners.

VINYASA YOGA: A yoga class in which you move from one pose directly into another; creating a flow, while focusing on relaxation and mindfulness.

HATHA YOGA: A yoga class in which you move your body slowly and deliberately into different poses that challenge your strength and flexibility, while focusing on relaxation and mindfulness.

MAT PILATES: a system of exercises using special apparatus, designed to improve physical strength, flexibility, and posture.

MEDITATION: Meditation guides you through a set of techniques that are intended to encourage a heightened state of awareness and focused attention.
